  - Line of Business applications across Eligible Workloads
  - SharePoint team sites, workflows and document storage
- Partner led change management, communications and training
  - Draft the vision, outline business objectives, and success measures for adoption jointly with the customer and obtain buy-in from an executive sponsor.

- 10) The potentially qualifying transaction must not involve a Customer that may create a conflict of interest.
- 11) Office 365 Dedicated SKUs are not eligible for this Offer.

## Payment

Partners may invoice for the investment funds of this offer when incremental Active Seat Usage milestones have been reached. The first invoice may be submitted upon achieving incremental 5% Active Seat Usage of purchased eligible SKUs OR after a completed [Value Discovery Workshop](#) engagement upon which the Partner may receive one-third of the eligible Offer funds. The final invoice may be submitted upon achieving the full incremental 15% Active Seat Usage of purchased eligible SKUs. Upon verifying the full incremental 15% Active Seat Usage, the partner may receive the remaining two-thirds of the eligible Offer funds.

A Partner must submit an investment request to Microsoft no later than 45 days before the Funds Expiration date or before end of Customer's current eligible Office 365 agreement term, whichever comes earlier. The submission date will be the date and time the submission is recorded by Microsoft.

Microsoft will confirm active use prior to approving payment to a Partner. Microsoft will reject Partner investment requests where no active use is found. Microsoft may also verify other metrics, including data migration, Customer feedback, etc.

All adoption investment funds will be paid by Microsoft directly to the Partner in local currency based on published Microsoft exchange rates and disbursed semi-monthly. For all related payments received from this Offer, the Partner is solely responsible for reporting and paying all applicable taxes (such as value added tax, sales tax, gross receipts tax, or any other tax) that may be required under any applicable laws. Customer should consult a tax advisor with any questions or concerns about the applicable taxes related to this offer and agrees to indemnify and hold Microsoft harmless for any damages arising from Customer's failure to timely pay such taxes.

The adoption investment associated with this Offer may or may not cover the full cost of driving incremental Active Seat Usage. If a Partner's cost to drive incremental Active Seat Usage exceeds the amount of the adoption investment funds associated with this Offer, the Partner may seek to recover from Customer the difference between the Partner's cost and the adoption investment funds it receives from Microsoft. By choosing to participate in the Offer, Customer and Partner acknowledge this and agree to indemnify and hold Microsoft harmless from any claims related to a Partner's cost in excess of adoption investment funds.

### **Adjustment to Payments**

If a Partner receives an overpayment of adoption investment funds from Microsoft, or if Microsoft finds that payments were made to Partner for adoption that was not completed in full compliance with this Offer, Microsoft may adjust or deduct sums from future payments to the Partner or require that the Partner repay such funds to Microsoft.

### **Publicity**

Customer may be offered to be featured in a written case study and other promotional materials, detailing Customer's selection and use of Microsoft Office 365 technologies; including Company quotes, logos and imagery. Customer's approval to be featured in publicity would be required before any publicity occurs.

### **Sharing of Information**

Customer agrees to share information with Microsoft about forecasts and progress of Adoption upon request.

### **Voiding of Offer**

Any non-compliance with the terms of this Offer will void the Offer. In such circumstances, the Partner will have to refund to Microsoft all adoption investment funds Microsoft has paid to the Partner pursuant to the Offer. Microsoft also reserves the right to pursue all other legal and equitable remedies available under applicable law.

### **Offer Disputes**

For any disputes regarding the Offer or any payments relating to the Offer, Customer must contact Microsoft in writing by completing a support request at [fasttrack.microsoft.com](https://fasttrack.microsoft.com) or emailing [svcadoptO365@microsoft.com](mailto:svcadoptO365@microsoft.com) within 30 days of the disputed payment or event. After 30 days, the Offer and all payments relating to the Offer shall be treated in all respects as final.

### **Indemnity**

Customer will at all times indemnify Microsoft against any loss, costs, expenses or liability, whether direct or indirect, arising out of the breach of the terms of this Offer by Customer. This indemnity will survive the expiration or termination of the Offer.

### **Liability**

All adoption assistance services provided under this Adoption Reimbursement Offer will be performed by Partners under separate agreement between the Partner and Customer. Although the Partners have been approved by Microsoft to participate in this Offer, the

Partners (except for Microsoft Consulting Services (MCS)) are not affiliated with Microsoft and do not have authority to bind or impose any obligation or liability on Microsoft. Except as otherwise set forth in a separate agreement between Microsoft and Customer, to the maximum extent permitted by applicable law, Microsoft will not be liable for any damages arising from the Adoption services that may be provided by a Partner in connection with this Offer.

### **Termination of or Changes to Offer**

Microsoft, in its sole discretion, may terminate, modify, or revise the terms of this Offer at any time. Modifications may include, but are not necessarily limited to, the SKUs eligible for the Offer, the amount of adoption investment funds included in the Offer, or the Customer's eligibility for the Offer. Customer may terminate its participation in the Offer at any time by notifying Microsoft in writing. Microsoft will not distribute any adoption investment funds as part of this Offer for qualifying transactions submitted by Customer after termination of Customer's involvement in the Offer.

### **Applicable Law**

The laws of the State of Washington govern the terms of this Offer.

### **Relationship of the Parties**

Neither the terms of this document as a whole nor any specific term or condition relating to the Offer will be interpreted as creating a partnership, joint venture, agency or franchise between Microsoft and Customer.
